Dear Ron,

I am writing this for your customers, as they should hear about you from one who has worked with you for years.

As you know, York Enterprises is an award winning remodeling company that does a very wide variety of work. To do this successfully, we need to have subcontractors who are reliable, honest, task oriented and detailed in what they do. Your company has consistently fit the bill in all ways. We know, when tile work is done by Old Town Tile, that everything is done as contracted, the mess is cleaned up regularly, and we get top notch tile work with no short cuts taken. Because we operate in peoples private space, our work needs to be the best! You have helped us demonstrate, through your own efforts, the higher class of contracting our customers expect. The extra effort taken by you as a company owner just shows your passion for what you do. Thank you for being an important part of our team! I look forward to many years of sharing successful jobs.

Sincerely,

Harold "Duke" York, General Manager
